

# Legal V1 — Operations Manual

## Daily Operations

- Review `/legal/lg/tasks?view=my`
- Check `/legal/lg/intake` for new referrals
- Progress hearings due today
- Reconcile payments received

## Weekly Tasks

- Review Recovery Workbench aging
- Chase overdue orders
- Chase counsel updates

## Monthly Tasks

- Export Legal Reports → distribute to Steering
- Reconcile `v_lg_case_financials` against ledger
- Review write-offs and admin overrides

## Closing Matters

- Ensure outstanding = 0 (or written-off with approval)
- Close via Case Detail → Close Matter (Approver).

## Recovery Monitoring

- Recovery Workbench → filter by aged>60d
- Assign or reassign; escalate to Enforcement.

## Order Monitoring

- Judicial Orders → `PENDING_COMPLIANCE` queue
- Consent Orders → auto-BREACH flag on missed installment.

## Appeal Monitoring

- Case Detail → Appeals tab; verify freeze on linked liabilities.

## Reporting

- Reports Hub → CSV/PDF exports
- Financial Reconciliation workbook cross-check.

## Administration

- Legal Admin Hub → templates, fees, workflow policy, role mapping.
